

# THANKSGIVING SONG

**Musician: Phan Dinh Tung**

1. My life is like sacred musical notes.

God wove it into a beautiful song.

My life is a song of thanksgiving,

Giving thanks to God all my life.

Thank God for Your abundant blessings filled with endless love

Thank God for the injustices that have trained me to be faithful.

**Refrain:** Thank you, I thank you, Lord,

Forever and ever, I thank you, Lord

Even though the world is full of troubles,

Your love for me allows me to walk in peace.

Please praise God's immense love, forever I sing of God's love.

Because everything in my life is a blessing,

I have complete confidence in Your hands.

1. My life passes day by day; God's arrangement is truly amazing.

My life is an on going song of eternal praise and thanksgiving to God.

Thank God for these peaceful moments, You loves me and gives me a joyful and harmonious life.

Thank God in times of danger, You has lovingly given me endless hope.
